- How has God shown you throughout this season of waiting that He is fully present, loving, and acting on your behalf?
- What is the biggest takeaway for you from these verses?

REST

- Listen to the song "Seasons" by Hillsong, and focus on letting the lyrics sink in.

REACT

- Replace frustration and impatience with gratitude and praise. Create a personal fighter phrase to repeat in times of doubt or unrest.
- Seek out, and then write down and speak out loud, what your purpose in this pasture is.
